- The following is a list of abilities for Monsters and/or Mutants.

○ **Immunities**

Ability	Immunity to / Benefit
○ Fire	Immunity to Fire
○ Ice	Immunity to Ice
○ Thunder	Immunity to Thunder
○ Poison	Immunity to Poison
○ Quake	Immunity to Quake
○ Stone	Immunity to Stone
○ Death	Immunity to Fatal magic & Paralysis
○ Mortal	Immunity to Fatal magic, Paralysis, and Poison (aka, a Robot or creature not made of Flesh).
○ Element	Immunity to Fire, Ice, Thunder, Quake, and Poison
○ Weapon	Cuts physical damage received in half
○ Change	Immunity to Fatal magic, Paralysis, Poison, and Stone. Also cuts damage received in half (O-Weapon).
○ All	Combines all of the immunities and benefits above into one (does not include Surprise or Warning).
Surprise	Allows the side with this ability to sometimes get a strike-first/surprise attack when the battle starts.
Warning	Stops surprise attacks from happening for the side that has this ability.

× **Weaknesses**

- In this hack, Mutants no longer “learn” weaknesses. Only Monsters can have a weakness.

Ability	Immunity to / Benefit
× Fire	Weakness to Fire
× Ice	Weakness to Ice
× Thunder	Weakness to Thunder

Strength-based Abilities

- The Number of hits depends on the agility of the user and the target. It will multiply the strength by however many hits it lands.

Ability	Damage	Number Of Hits + total if all land	Uses	Group Attack
Punch	STR x 6		30	
Tongue	STR x 6		30	
Stab	STR x 6		30	
Branch	STR x 6		30	
Thorn	STR x 6		30	

Tentacle	STR x 6		30	
Jaws	STR x 8		15	
Bash	STR x 8		15	
Kick	STR x 8		15	
Horn	STR x 8		15	
Sword	STR x 8		30	
Head	STR x 8		15	
Pincer	STR x 8		30	
X-Sword	STR x 6	2 = (x12 total)	15	
2-Swords	STR x 8	2 = (x16 total)	15	
X-Pincer	STR x 8	2 = (x16 total)	15	
X-Bash	STR x 8	2 = (x16 total)	15	
2-Bites	STR x 8	2 = (x16 total)	15	
3-Heads	STR x 6	3 = (x18 total)	15	
4-Heads	STR x 5	4 = (x20 total)	15	
3-Horns	STR x 8	3 = (x24 total)	15	
6-Arms	STR x 5	6 = (x30 total)	15	
8-Legs	STR x 5	8 = (x40 total)	15	
Bident	High Fixed Damage + STR x 17		15	Single Group
Critical	STR x 8 + Critical			
Special Note: Always deals a critical hit, which sometimes kills the target instantly. Never misses. Does not work on bosses or tougher foe.				

Agility-based Abilities

- The following list is abilities that are only usable by monsters and utilize agility.

Ability	Damage	Uses
Nails	AGL x 6	30
Beak	AGL x 6	30
Fin	AGL x 6	30
Tail	AGL x 8	30
Claw	AGL x 8	20

Mana-Based Abilities

- The following list is abilities that can be used by both Monsters and Mutants
- Unlike strength and agility based weapons, mana-based abilities will ignore the defense stat and instead be affected by the mana stat. If the target has higher mana, the magic will deal less damage. There are a few spells that ignore mana defense, however (mentioned in the special notes).

Ability	Damage	Uses	Group	Ailment	Ignores	Works	Family	Element	Stat

			Attack	Inflicted	Defense	On Family	Immune		Trained
Fire	Mana x 6	15	Single Group					Fire	Mana
Ice	Mana x 6	15	Single Group					Ice	Mana
Thunder	Mana x 6	15	Single Group					Thunder	Mana
Flame	Mana x 4	15	ALL					Fire	Mana
Burning	Mana x 10	30						Fire	Mana
Special Note: Burning is a counter attack. It will counter with fire-elemental mana damage when the caster is hit.									
Blizzard	Mana x 4	15	ALL					Ice	Mana
Gas	Mana x 5	15	ALL	Poison				Poison	Mana
Acid	Mana x 5	15	ALL	Poison				Poison	Mana
Lightng	Mana x 5	15	ALL					Thunder	Mana
SndStorm	Mana x 5	15	ALL					Non-elemental	Mana
Toxin	Mana x 6	15	Single Group	Poison				Poison	Mana
Scorch	Mana x 6	15	Single Group					Non-elemental	Mana
Tremor	Mana x 6	15	ALL					Quake	Mana
Touch	Mana x 6				YES		Undead		
Special Note: Touch will Absorb some HP. The mana of the target will not affect the damage, but it can miss if the target has high AGL. A shield can block it. -Undead monsters will reverse the HP Absorb (take HP from the caster and give it to the target instead).									
Absorb	Mana x 6	15			YES		Undead	Non-elemental	Mana
Special Note: This is exactly the same as Touch, just with a different animation.									
Dissolve	Mana x 6	15			YES			Non-elemental	Mana
Special Note: This is the same as Touch and Absorb, except undead monsters will NOT reverse the effect! This effectively makes Dissolve a superior ability.									
Beam	Mana x 7	15	Single Group					Non-elemental	Mana
Tide	Mana x 8	15	Single Group					Non-elemental	Mana
ComVirus	Mana x 13	30	Single Group		YES	Robots	All others	Non-elemental	Mana
D-Flesh	Mana x 13	30	Single Group		YES	Humans	All others	Non-elemental	Mana
Holy	Mana x 13	30	Single Group		YES	Undead	All others	Non-elemental	Mana
Tornado	Mana x 8	5	ALL					Non-elemental	Mana
Whirl	Mana x 8	5	ALL					Non-elemental	Mana

PsiBlast	Mana x 8	15	ALL					Non-elemental	Mana
PsiStaff	Mana x 11	15	Single Group					Non-elemental	Mana
Inferno	Mana x 9	10	ALL					Non-elemental	Mana
Comet	Mana x 9	10	ALL					Non-elemental	Mana
PsiShot	Mana x 14	15	Single Group					Non-elemental	Mana
Flare	Mana x 10	5	ALL					Non-elemental	Mana

Mana-Based Cure Abilities

- Cure abilities use the mana of both the caster and the target multiplied by the amount shown below to calculate the amount healed.

Item	Healing	Uses	Group HEAL	Ailment Cured	Stat trained
Cure	Mana x 4	15	Single		Mana
Heal	Mana x 3	10	ALL		Mana
Remedy	-	30	Single	ALL	Mana

Fixed damage Abilities

- This category of weapons does not deal damage based on the stats of the user. The damage instead follows a formula (although a bit randomized). The damage values below show the average damage BEFORE defense is factored in. Some abilities will ignore defense, however.
- The following abilities can only be used by monsters and not Mutants.

Item	Damage	Uses	Ignores Defense	Group Attack	Other Effect
Saw	-	15	YES		Instantly kills target if Strength of user is at least 9 less than the target's defense. If target has O-weapon, strength must be x2 the defense of the Target (-9). Bypasses immunity to death. Doesn't work against some bosses and tougher foe.
BioChem	200-600	15	YES	Single Group	
Coin	500	50			
Counter	X2 Damage Received	30			This will counter the attacker and return about x2 the damage Received.
Gandiva	1,275	15		Single Group	
Scythe	-	15	YES		Works the same as Saw, but the users Strength only needs to be half of the target's defense to work, or about equal if the

					target has O-Weapon. Bypasses immunity to death.

Status inflicting Abilities

- The following list is abilities that will inflict a status ailment upon the target.
- A few of these can in fact be used by Mutants, but most are used by monsters.

Ability	Uses	Group Attack	Ailment Inflicted	Stat Trained
Blind	15	Group	Blind	Mana
Ink	15	Group	Blind	Mana
Paralyze	20	Group	Paralyze	Mana
Gaze	15	Group	Paralyze	Mana
Tie Up	20	Group	Paralyze	Mana
Breath	20	Group	Paralyze	Mana
Charm	15	Group	Confuse	Mana
Curse	15	Group	Curse	Mana
Poison	20	Group	Poison	Mana
PoisSkin	30		Poison	Mana
ParaSkin	30		Paralyze	Mana
StonSkin	30		Stone	Mana
Stone	20		Stone	Mana
X-Stone	15	Group	Stone	Mana
Sleep	15	Group	Sleep	Mana
Spores	30	ALL	Poison	Mana
CursSong	5	ALL	Curse	Mana
MadSong	5	ALL	Confuse	Mana
Riddle	5	ALL	Confuse	Mana
Fatal	15	Group	Death	Mana
Calamity	15	ALL	Death	Mana

Buff/Debuff Abilities

- These abilities can only be used by the monster class.
- When used in-battle, these give the monster the stat boost for the remainder of the battle. They do not last outside the battle.

Item	Stat +/-	Hit Rate	Uses
Buff	STR + 15	100%	10
Debuff	STR - 25%	75%	15

Accel	AGL + 20	100%	15
Cobweb	AGL - 25%	100%	15
Slow	AGL - 25%	75%	15

Other Abilities

- This category of weapons does not deal damage based on the stats of the user. The damage instead follows a formula (although a bit randomized). The damage values below show the average damage BEFORE defense is factored in. Some abilities will ignore defense, however.
- The following abilities can only be used by monsters and not Mutants.

Item	Uses	Other Effect
Defense	30	Evasion +50% for the character/monster using it
Shell	30	Evasion +50% for the character/monster using it
Steal	10	Steals GP from target based on the users AGL x5.
Mirror	15	Reflects most magic back to the target
Multiply	Inf.	The monster creates a duplicate of itself. Character monsters cannot use this.
